December News

THE 2nd ANNUAL "WRECK DAY" at the Fall River Marine Museum on Saturday, December 7th, was another sold-out event. We hear that it was a very informative and interesting seminar. There were about 10 speakers, and a little birdie told me that the club's very own Dave Clancy did a very good job with his part and was very enjoyable to listen to (congrats, Dave). The museum is a very nice one, and Steve O'Gara took some good photos of things around the place. There were about 350 total present for this.

DECEMBER 15th CLUB DIVE at Plum Cove, Cape Ann, was a "nice, cool day". There was a reported 20-30' viz; one lobster was taken; and there were about 10-12 divers in the water.

ANNUAL ELECTION/PIZZA PARTY NIGHT on Tuesday, December 17th, was (as always) a busy evening -- voting on new officers and board members, finishing up 1985 business, stuffing our faces and filling our bellies, quenching our thirsts, reacquainting each other with people who can't make all the meetings, etc. It was a good time, needless to say, with 51 voting members and 5 non-voting members. Now, could I have a drum roll, please? The new 1986 officers are:

President - Chuck Cipoletta
Vice President - Debbie Osborn

Secretary - Phil Nimeskern
Treasurer - Paul Dwyer

Board Members

David Clancy
Linda Barry
Peter Barry
Steve Norris

Angelo Correnti
Paul Green
Bob Massarelli
Dana Williams

Dick Gullicksen

In order, the runners-up for the board (in case replacements are needed) are Joe Gomes, Ted Hotz, Joanna Hanks, Joan Getto, Joe Mullin, Brad Ligols, and Mike Trczinski.

Congrats to all and have a good 1986!

DUES REMINDER: In case you forgot to mail in your 1986 dues, I have once again attached membership coupons to this newsletter. Don't forget - 1986 dues must be paid by the 1st January regular club meeting or fines will be imposed. There's a \$5.00 fine for the 1st month not paid; \$2.00 per month up to \$15.00 will be levied against all non-paid members. So please pay them on time. Send or give your coupon and check to the attention of our brand new treasurer, Paul Dwyer.

THE DECEMBER 22nd CHILDREN'S CHRISTMAS PARTY at the C.D. Building in Quincy. It starts at 2:00. Bring child(ren), wrapped gift(s) costing around \$5.00 for each child, and baked goodies. Your help would be appreciated.

January News

THERE'S A NEW YEAR'S EVE PARTY at Blackie and Kathy's house in Hanover. If you need directions, please let Blackie know. As usual, it's BYOB. It's also pot-luck, so try to help out with an appetizer or something. Hope you can make it to ring in a better/great/wonderful/new year! Bring some really good resolutions, and please leave their house standing if you attend!

NEW YEAR'S DAY SOBER-UP DIVE will (traditionally) be at Pleasure Bay in South Boston. For afterwards, Dave and Myra Clancy have offered to have an open house and light lunch. BYOB for those interested in warming up over there.

JANUARY 12th CLUB DIVE will be at Folly's Cove, Cape Ann. Meet at Godfried's on Route 1 in Saugus at 8am for breakfast, with the dive starting at 10am.

JANUARY "4th TUESDAY" EVENT on January 28th we'll be discussing ideas for 1986 club activities. It will be moderated by the new President and Vice President.

PUBLIC INFORMATION HEARINGS will take place soon. These will be held by the Division of Marine Fisheries in regards to problems facing them. "Coastal access for recreational divers" is one of the probably topics -- it's one our club membership should be interested in. The hearings will be held at several locations, and they will be evening sessions. (They promise not to be as hostile as those lobster hearings many of us participated in a while back.)

A "SAVING THE HARBOR" ARTICLE was brought to the attention of the club by Dave Clancy. A meeting on this subject may be scheduled some time in January. Dave will give us more info on this soon. It's a worthwhile project to get involved in!

Advance News

AWARDS BANQUET UPDATE - Get your tickets!! They are now on sale, and the price is \$25.50 per ticket. The cut-off date to buy banquet tickets is the last January club meeting (January 21st). Here are the other details:

LOCATION: South Shore Country Club, Hingham, MA

DATE: Saturday, February 1st

BAND: Crystal City Band

MENU

New England Fish Chowder

Roast Prime Rib of Beef

Roasted Potatoes

Broccoli Hollandaise

Fresh Garden Salad

Chocolate Rum Mousse

There's a B-I-G dance floor - wear your dancing shoes. When the Hall Committee checked the hall out personally, they got samples of the chowder (MMMMMM MMMMM GOOD). It's our once-a-year get-together where we tend to dress-up and let our hair down. We hope one and all of you can make. In order to help with the people counts we have to give, please let our club treasurer (or any other officer) know your interest in attending and how many tickets you are buying as soon as possible.

THANKS - Thanks to all of you who "listened" to my craziness which sometimes came out in my newsletters, sometimes in the form of a comic strip I couldn't resist sharing or in my little diving/water-related cut-outs. I thoroughly enjoyed putting the newsletters together and hope you enjoyed reading them. After enjoying my "retirement" for a while, I may come back -- I then hope there's a position called "Newsletter Publisher" -- I'd like that job. Happy-holidays and have a great 1986 from your beloved 1985 Secretary, Linda.

Linda B

- Bill Burchill had a disc removed from his back recently. He is currently in the Carney Hospital in Dorchester in a bit of pain, but he's hoping to be home for Christmas. Please try to cheer him up with a card!
- Congrats to a couple of 'old-timers' who finally made their 20 years with the club to become "lifers" (a/k/a "life members"). It's finally paid off, huh guys! John (Blackie) Blackadar and Ken McCarron -- that's who!
- Congrats to Brad Ligols got 'ligol-ized' and is now a full member; and to Tom Barry & Mike O'Keefe received their Board and 1st club votes. Welcome!
- Thanks to our pizza picker-uppers, Karen Correnti and Joe Shea -- you made alot of hungry people happy! and thanks to our ballot-counting committee of Peter Speen, Diane Chillemi, and Angelo Correnti for their arithmetic.
- We're looking for volunteers for an audit committee to go over our 1985 books -- should be a breeze; Paul Greene kept great books (REALLY)!
- Your suggestions are still being taken for joke trophies! Submit to any club officer or board member.

FOR SALE

- FOR SALE - Caber ski boots, size 10, excellent condition, \$50 or best offer. Call Dick Gullicksen at 335-7724.

Meetings

Club Meetings

First and third Tuesday of each month at 8:00 p.m.

Board-of-Directors Meetings

Second Tuesday of each month at 8:00 p.m.

Members, membership applicants, and other interested parties are welcome to attend all Club and Board-of-Directors meetings. All meetings are held at the Quincy Civil Defense Dive Team Headquarters building. This building is located at the corner of Quarry and Joyce Streets in Quincy. To reach the meeting site from the Southeast Expressway, take the Furnace Brook Parkway exit. Follow Furnace Brook Parkway to Quarry Street (second set of lights). Turn left onto Quarry Street, and proceed approximately 100 yards to the intersection of Joyce Street. The Dive Team Headquarters is the stone building on the right.

Membership Information

Membership is open to all sport divers and other interested parties. Application for membership may be made at any Club meeting or Board-of-Directors meeting. Membership fees are as follows:

- Regular Member Dues \$30.00 per year
- Initiation Fee (one-time fee) \$25.00
- Corresponding Member Dues \$5.00 per year
(Inactive members only)

Diver's Hot Line

For information on diving buddies and who's diving when and where, call Peter Barry (1-747-1829) or Steve Norris (843-7496).

Additional Information

For additional information on club activities or membership, please contact one of the club officers listed above, or call John Blackadar at 826-2505.

SOUNDINGS

FEBRUARY 1986

The Month Past

New Year's Eve Party at John Blackadar's was a success, as usual. There was a large, mixed crowd of club and non-club members and the party didn't end until very early.

The Sober-Up Dive had 28 members showing up and 18 of these getting wet. Seventeen lobsters were taken and many old bottles found. The largest lobster thus far this year was a 7.8 pounder subdued by Bill Walker.

And also as usual, the Clancys' New Year's Open House was a success with good company and good food. There was another crowd of parties and they didn't leave until late.

The January Club Dive turned out to be an exceptional event. With exceptionally warm weather and very clear water, the diving was better than what is often found later in the season.

The Month Present

The Annual Club Banquet will be held on February 1st at the South Shore Country Club, 274 South Street, Hingham. If this newsletter gets to you in time and you need directions, try calling them at 749-1720.

The February Club Dive will be February 9 at Cathedral Rocks, Rockport. This site is accessible from Cathedral Avenue, Rockport, just across from the Ralph Waldo Emerson Inn. It has been described as "an amphitheatre arrangement of great boulders and granite outcroppings". The rendezvous is at Godfried's on Route 1 in Saugus at 8 AM, leaving at 9 to meet at the site at 10.

The Annual Ice Dive will be held on February 16 this year at Fuller's Quarry, Quincy. The first diver will go in at 10 AM; however, we need people to set up and cut the ice so members are requested to come early and help out. We will be meeting for breakfast at 7 AM at the Howard Johnson's near the South Shore Plaza. For those who have never been, this is a safe, careful dive into a quarry filled with old cars. There will be a warm place to change, a stand with hot food and drink and T-shirts printed for this event. To get there from the Southeast Expressway, get off at the Furnace Brook Parkway Exit and exit the rotary for Furnace Brook Parkway. At the first set of lights, take a left onto Copeland Street. Copeland Street will end at Williard Street. Bear left, go under the overpass, and then take a right at Mr. Tux and follow the signs.

The Month To Come

Fred Calhoun's Boston Diving Show and Underwater Film Review will be held March 1 at the Park Plaza Hotel, Boston. Each event's tickets are \$7 (by mail).

We will be having a Special Slide Show at our March 4th meeting. Paul Adler will be showing slides of Truk Lagoon, an outstanding Pacific dive area.

The Boston Sea Rover's Clinic is on March 8 this year at the Copley Plaza Hotel Boston. There will be seminars and exhibits during the day and an underwater film show at night.

The March Club Dive will be at Strawberry Point, Scituate on March 23.

ANCHOR LINE

Myra Clancy wishes to thank everyone who came and all who brought food to their open house, which made their party a success.

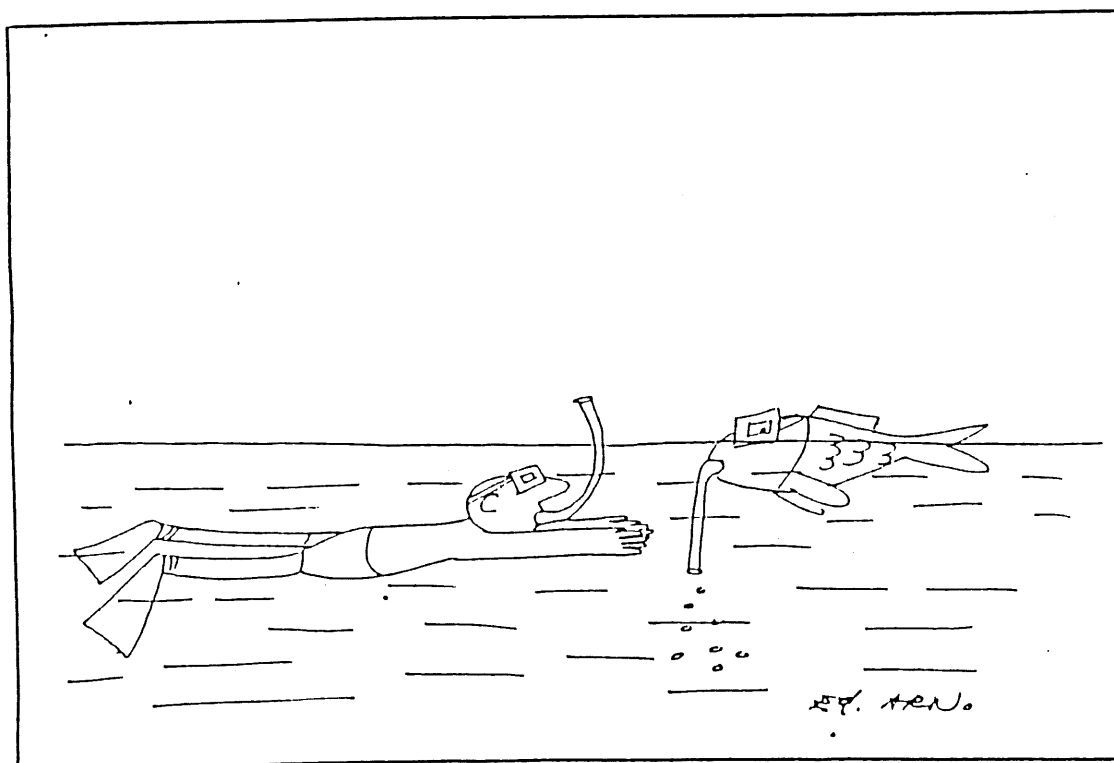

Member Paul Butler had his picture printed in the Quincy Sun in December. Seems his track club raised money for an Irish hospital and he went with others to Ireland to deliver it. Hope you had a good trip.

Everyone interested in Club Jackets should get in touch with Peter Barry, as he will be placing an order soon.

We are happy to welcome new member Karen Correnti who has passed her second vote.

Your humble servant would like to take this space to give out some awards of his own. To Ted Hotz goes the Soggy Wheaties Bowl for the saddest, weakest campaign for secretary ever seen. Since when is "Vote for Phill, not me" a good campaign slogan? To Mike Trzcinski goes the "Methinks the Lady Doth Protest Too Much Award for asking almost everyone not to give him a joke trophy at the banquet.

For Sale. Nikonos II underwater camera with underwater flash. Excellent condition. Best Offer. John Blackadar - 748-0613.

SOUNDINGS

MARCH 1986

The Month Past

The Annual Club Banquet was held on February 1st at the South Shore Country Club. Whether the meal was good or not or whether the band was good or bad depends upon who you talk to. I had a good time. For the second year in a row, the night ended with a heavy snow storm, which was taken advantage of by several intrepid souls who went sledding upon trays.

The February Club Dive was held at Cathedral Rocks, Rockport, with clear skies and flat seas. A good dive!

The Ice Dive was relocated this year to the Town River, when we couldn't get access to Fuller's Quarry. Only about eleven divers entered the murky waters on this frigid day. The high point of the day was the recovery of a recently dumped Mercedes-Benz. Don DiTullio and Mike Trzcinski discovered the car.

The Month Present

Fred Calhoun's Boston Diving Show and Underwater Film Review will be held March 1st at the Park Plaza Hotel, Boston. Each event's tickets are \$7 (by mail). This year's program features a talk on Massachusetts ship wrecks by our own Dave Clancy.

We will be having a Special Slide Show by Paul Adler at the start (8:00 PM sharp) of our March 4th meeting. Paul will be showing his slides of Truk Lagoon, an outstanding dive area in the Pacific.

The Boston Sea Rover's Clinic is on March 8 this year at the Copley Plaza Hotel, Boston. There will be seminars and exhibits during the day and an underwater film show at night.

A Non-Point, Get-together Dive will be held on March 15 at Beavertail Pt, Jamestown, R.I. This area has been described as a "rocky reef with average depths 10 to 45 feet." People will be meeting for breakfast at 7:30 at Bickford's, ~~Sharon~~, off Route ~~24~~.
WALPOLE 95

6:00 PM
7:00 PM The Club Night Out will be on March 22 at Venezia, Neponset Circle, Dorchester. We will meet at ~~7:00~~ for cocktails and have dinner at ~~8:00~~. Take Exit 11 from the Southeast Expressway to Neponset Circle and follow their signs from there.

On March 23rd is the Club Dive at Strawberry Point, North Scituate. Strawberry Point, or the Glades, is the private area just beyond the beach where we often dive. We will meet for breakfast at 8:00 AM at the Gannett Grill, 360 Gannett Road, North Scituate, and rendezvous at the gate to the estate at Glades Beach (or Minot Beach, as my map calls it) at 9:00. It is important that all who intend to dive be at the gate at 9:00 as the gate will be not be manned or left open for late-comers. To get there, take Route 3A to the North Scituate exits (Henry Turner Baily Road or Booth Hill Road). These will bring you into North Scituate Square, where the Gannett Grill is located. From North Scituate Square, take Gannett Road down to the ocean. The last left at the ocean is Glades Road. Follow this road along the ocean until you reach Minot Beach and the Glades gate, which is across the road at the end of the beach.

The Month to Come

On April 29, there will be a Civil Defense Meeting. This will be held at the C.D. Building, 55 Sea Street, Quincy. Many topics will be discussed and updated, such as insurance.

For Sale

For Rent, Three Bedroom apartment in Brookline Village. \$975 per month includes heat and water. Close to Medical Area and MBTA. Call Chuck Cipoleta at 734-8465.

For Sale - Caber ski boots, size 10, excellent condition, \$50 or best offer. Call Dick Gullicksen at 335-7724.

For Sale - Mens's large B.C., U.S. Divers, good condition, \$100 or best offer. Ladies' ski boots, size 8-1/2, good condition, \$50 or best offer. Call Diane Chillemi at 551-0684.

For Sale - Parkway Unisuit, size large, good condition, best offer, Call Peter Speen at 250-1999.

For Sale - Two (2) Parkway wet suits (1 medium men's/Farmer John - \$75); 1 medium women's/Farmer John - \$75. Also one (1) Parkway Jetsuit with attached boots for \$150. If interested, call Paul Cavallaro at 963-1402.

For Sale - 25-horsepower Mercury outboard - good running condition - \$375. Call Penny Oppenheim at 828-4337.

For Sale. Nikonos II underwater camera with underwater flash. Excellent condition. Best offer. John Blackadar, 748-0613.

Anchor Line

All members interested in club jackets must sign up with Peter Barry (747-1829) during March.

It was decided to try a new competition this year. This is an Artifact Competition, which will give an award to the recoverer of the most interesting and best researched wreck artifact. Mark Stanton is setting up the rules, anyone with any suggestions should get in touch with him.

New members this month are James Rizzo, who passed his board vote; Scott Trocki, Doug Meyer and Edward Foley who passed their board and first votes and Michael O'Keefe who passed his second vote. Welcome!

This month's Humanitarian Award goes to Mike Trzcinski, who, without any thought for himself, saved from a dry death several small fish that were hiding in the recovered Mercedes-Benz. A lesser man would have fried them for supper.

The Club Banquet saw the birth of a new dance craze, the Dickie Shuffle. A reliable source reports that this dance is performed by pushing the belly way out in front, pushing the behind way out in back and then GET DOWN.

SOUNDINGS

APRIL 1986

Last Month

March started off well with two dive shows in Boston and a special slide show by Paul Adler. Both shows were enjoyable but several participants felt the Sea Rovers' Clinic was better done. Paul Adler's slide show of Truk Lagoon and its wrecks and marine life was excellent. Thank you, Paul.

The Club Night Out at Venezia's was excellent. All who went remarked on how handsome the restaurant was and how reasonable the prices were. Sounds like we will be going again in the future.

The March Non-Point Dive fell through as most people stayed home because of bad weather. Only Paul Dwyer and Mike Trzcinski were at the breakfast rendezvous and only Mike made the trip to Rhode Island.

The March Point Dive went off much better as the weather was bright and clear and the seas calm. The dive was held at Minot Beach, North Scituate, and many members got their first lobsters of the season. Thanks to Michael O'Keefe who arranged parking for us all.

The Fourth Tuesday Event was a slide show of New England Wrecks by Brian Skerry. Thank you, Brian, for your good work.

The Bay State Council's Beach Access Bill has finally reached the Legislature. The Committee on Natural Resources and Agriculture accepted testimony on the bill (H3413) at a March 4th public hearing. By now, most of you should have received a literature packet on the bill. In order to spread the word about the bill and the hearing, the BSC mailed literature packets to some 3000 divers around the State.

Regarding the job of preparing the mailing, we are proud to report that fellow Neptunes did most of the work. On two consecutive days, members volunteered their time collating, stuffing and licking envelopes. Those who helped out were Myra and Dave Clancy, Joe Shea, Joe Mullin, Joe Gomes, Jay Theriault, Paul Dwyer, Susan and Paulo Crepaldi, Paul Greene, Bob Massarelli, Pete Barry, Ted Hotz, Dick Gullicksen and Michael O'Keefe. The volunteer time amounted to approximately 60 man-hours. And in case you have been wondering, Paul Dwyer and Jay Theriault did most of the licking.

The March 4th hearing was the Legislature's first action on the bill. Later in the Spring, it will be voted on by the full Legislature. Before that time, we will no doubt be helping out with another big mailing.

This Month

The Club Point Dive will be held on April 6 at Pemberton Pier, Hull. We will meet at the site at 10:00 AM. To get there, take Route 228 to Hull. This becomes Nantasket Avenue, which you follow through its many curves until it ends on Main Street. Take a right and follow Main Street until its end at Hull High School and Pemberton Pier. For those who are interested, we will be meeting for breakfast at 8 AM at Page's Restaurant, Rt. 3A, Hingham Center.

There has been a Special Tour and Dive arranged for us by Dale Saad on Saturday, April 12, starting at 10 AM. We will have a private tour of URI's Research Vessel Endeavor, followed by a tour of URI dive lockers and testing tanks. After all this, Dale will arrange a scuba dive. All interested persons should go to the URI Bay Campus in Narragansett, RI. Take the Rhode Island Scenic Route 1A south to South Ferry Road and take a left. There will be a sign here to direct you to the Bay Campus. Follow South Ferry Road all the way to the shore. The R.V. Endeavor will be docked right there. Dale can be reached for further information at (401) 789-5875 at night or at (401) 792-7210 days (Let it ring a long time).

A Lecture on the Pirate Ship Whydah will be given by Barry Clifford at the Marine Museum at Fall River on Friday, April 25, 1986 at 7:30 PM. The tickets cost \$6 per person. This is a chance to hear the inside story of the history, search and excavation of a piece of Cape Cod's folklore. For information and reservations, call (617) 674-3533.

The April Non-Point Dive will be held at Nubble Light, York Beach, Maine on Saturday, April 26. We will rendezvous for breakfast at Godfried's, Route 1, Saugus at 7:30 AM. To get to Nubble Light, go north on Rt. 95 to York, Maine, Exit 1, take Route 1 south to Route 1A (Main Street) and take a left. Stop at the York Police Station, which is on Main Street, and get a diving pass and then continue on Route 1A until you reach Cape Neddick. Take a right onto Nubble Road, which leads to Nubble Light. The dive will start at 11:00 AM.

There will be a Fourth Tuesday Event on April 22nd. Be there.

All interested divers should plan to attend the CD Recovery Team Meeting on April 29th at 8 PM. This will be at the Quincy CD Building at 55 Sea Street.

Month to Come

On May 4th is the BSCD Treasure Hunt at Stage Fort Park, Gloucester, MA. Registration is \$10 and starts at 9:00 AM. This is an underwater competition with scuba and skin diving events and many prizes. For more information, call Dave Clancy at 268-2686.

On May 18th is a Club Competition Dive, place and time to be announced.

A trip to Provincetown will be our May Point Dive. We will meet Saturday morning, May 10, for the point dive at Long Point and plan another dive for Sunday, May 11. Some cheap accommodations will be arranged by Chuck Cipoletta; get in touch with him if you are interested.

The May Non-Point Dive will be held on May 31st with a George's Island Family Outing. A ferry provides transportation to the island which has a picnic area our club will reserve. Diving will be possible if enough people bring their boats.

For Sale-

For Sale - One pair Dacor Turboflex Fins, like new, \$25. Caber ski boots, size 10, excellent condition, \$50 or best offer. Call Dick Gullicksen at 335-7724.

For Sale - Brute Suit, X-Large, Farmer John Pants, Knee Pads, Nylon 2 sides, Velcro Beavertail, good condition, \$100, call Frank at 580-1035 after 5.

For Sale - Men's large B.C., U.S. Divers, good condition. \$100 or best offer. Ladies' ski boots, size 8-1/2, good condition, \$50 or best offer. Call Diane Chillemi at 551-0684.

For Sale - Parkway Unisuit, size large, good condition, best offer. Call Peter Speen at 250-1999.

For Sale - Two (2) Parkway wet suits (1 medium men's/Farmer John - \$75); 1 medium women's/Farmer John - \$75. Also one (1) Parkway Jetsuit with attached boots for \$150. If interested, call Paul Cavallaro at 963-1402.

For Sale - 25-horsepower Mercury outboard - good running condition - \$375. Call Penny Oppenheim at 828-4337.

Anchor Line

Congratulations to Dave Clancy who was awarded the Paul Revere Spike Award at the Boston Diving Show for his continuing work on diving legislation.

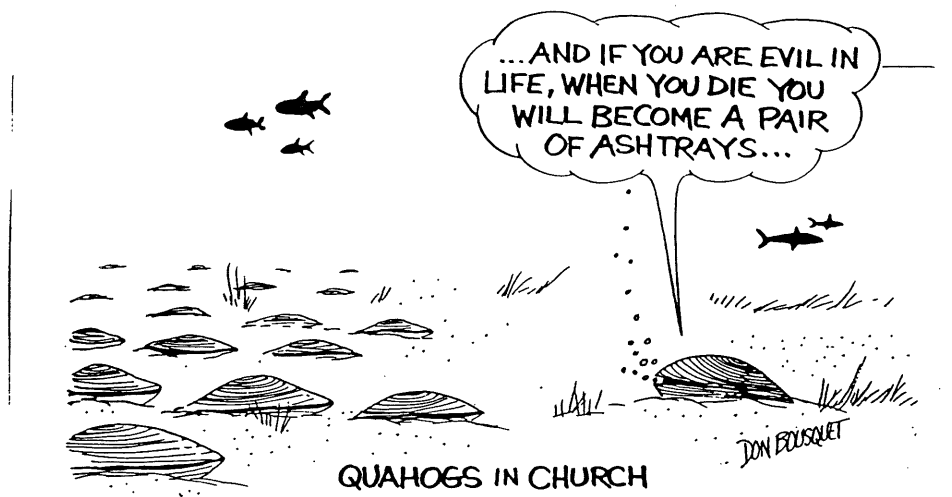

Congratulations also to Brian Jordan and his fiancée Jean King who will be married this month.

Our condolences to Terry Czerepica on the death of her father and to Dana Williams on the death of his stepfather.

We want to welcome New Members James Rizzo and Chris Norris, who passed their first votes, and John O'Connell and Mary McCusker, who passed their second votes.

A Club Roster will be ready next month. Until then, our newest members and their numbers are Ed Foley, 341-0998; Doug Meyer, 471-0494; Chris Norris, 449-7792; James Rizzo, 438-4668; and Scott Trocki, 344-9254.

Have you written you State legislator about the Beach Access Bill (H3413) yet? Don't delay, do it today.

Meetings

Club Meetings

First and third Tuesday of each month at 8:00 p.m.

Board-of-Directors Meetings

Second Tuesday of each month at 8:00 p.m.

Members, membership applicants, and other interested parties are welcome to attend all Club and Board-of-Directors meetings. All meetings are held at the Quincy Civil Defense Dive Team Headquarters building. This building is located at the corner of Quarry and Joyce Streets in Quincy. To reach the meeting site from the Southeast Expressway, take the Furnace Brook Parkway exit. Follow Furnace Brook Parkway to Quarry Street (second set of lights). Turn left onto Quarry Street, and proceed approximately 100 yards to the intersection of Joyce Street. The Dive Team Headquarters is the stone building on the right.

Membership Information

Membership is open to all sport divers and other interested parties. Application for membership may be made at any Club meeting or Board-of-Directors meeting. Membership fees are as follows:

- Regular Member Dues \$30.00 per year
- Initiation Fee (one-time fee) \$25.00
- Corresponding Member Dues \$5.00 per year
(Inactive members only)

Diver's Hot Line

For information on diving buddies and who's diving when and where, call Peter Barry (1-747-1829) or Steve Norris (843-7496).

Additional Information

For additional information on club activities or membership, please contact one of the club officers listed above, or call John Blackadar at 826-2505.

SOUNDINGS

MAY 1986

Last Month

The Club Dive at Pemberton Pier was pretty bad. The weather was cold, dark and wet, the water cold and murky and the bottom uninteresting. A couple of our members were never able to find the bottom; the surface current brought them to the edge of Hull Gut before they got all the way down. Who voted for this anyway?

The Special Tour at URI of the R.V Endeavor and Diving Facilities went off very well, despite poor weather. The tours were very interesting, informative and comprehensive. Afterwards we had a decent dive at Narragansett Pier, Narragansett, R.I. Thanks to Dale Saad for arranging everything.

The Non-Point Dive appears to have fallen through due to the bad weather that weekend. Yours truly didn't go because of that reason and he hasn't yet found anyone that will admit to going either.

This Month

On May 4th is the BSCD Treasure Hunt at Stage Fort Park, Gloucester, Ma. Registration is \$10 and starts at 9:00 AM. This is an underwater competition with scuba and skindiving events and many prizes. For more information, call Dave Clancy at 268-2686.

Our May Club Point Dive will be at Provincetown on May 10 with more non-point dives on May 11th. Members should meet at the town pier at 9AM to be ferried across the harbor to Long Point. We need more members to bring their boats to help ferry. There is still some floor space available at Jake's cottage in Wellfleet for a nominal fee. If you are interested in staying there overnight, get in touch with Chuck Cipoletta.

The Club's Night Out will be on May 17 at the Sherwood Restaurant, Stoughton. We will be going to the dinner-theater in their Starlight Room. We've reserved only a few places so interested persons should pay a \$5 per person deposit by the May 6th meeting. The dinner is a choice of fish, prime rib or chicken, starts at 7:00 and will be followed by the show. The Sherwood is on Monk Street, just off Rt. 38 in Stoughton.

A Competition Dive is planned for May 18th at the Norris family's cottage on Great Herring Pond, Plymouth. All entrants must be suited up at the water's edge at 10AM sharp. For directions, see map.

The Fourth Tuesday Event is a Clubhouse Cleanup on May 27th. We will be dusting, washing, vacuuming, sandblasting, sterilizing, painting frescoes and taking out the trash. We need your help, please be there at 8:00 PM.

5:00 PM
Our Club Non-Point Dive will be in conjunction with a Family Day on George's Island in Boston Harbor. George's Island is part of Harbor Islands Park and is accessible by ferry from Boston. The fee is \$3 for adults and \$2 for children. The ferries run from 8:00 AM until 9:00 PM from Long Wharf (next to N.E. Aquarium). The island has much woods and shore to explore, a picnic area and diving from boats is being arranged. Members with boats are respectfully requested to bring them. There will be an additional charge of

about \$7 per person for cookout supplies of hamburgers, hot dogs, beer, wine, soda, etc. For more information and reservation call Angelo Correnti or Chuck Cipolleta.

Don't forget that Monday night is Pool Night for the Neptunes at the Lincoln-Hancock Pool, Water Street, Quincy. We have the pool from 7 to 8 PM for underwater rugby, practicing diving skills or just swimming around.

Next Month

The June Non-Point Dive will be in Plymouth Harbor, on Saturday, June 7th. This will also be a boat dive and we will meet at the state boat ramp at 9:00 AM.

On June 8th will be a second Clubhouse Cleanup at 9:00 AM. This is for all outside maintenance.

CASUAL
The June Club Night Out is a trip to the Old West; dinner and entertainment at Buzzard's Gulch, Brookline, on June 13th. This restaurant serves a barbeque dinner in the manner of a 19th century western saloon with costumed servers and entertainment of the period. You must sign up, however, by the May 6th meeting and make a \$5 deposit per person.

The June Point Dive will be a boat dive to Boston Light or Peddock's Island on June 22nd. We will meet at Pemberton Pier, Hull at 9:00 AM, and leave for the Island by boat.

For Sale

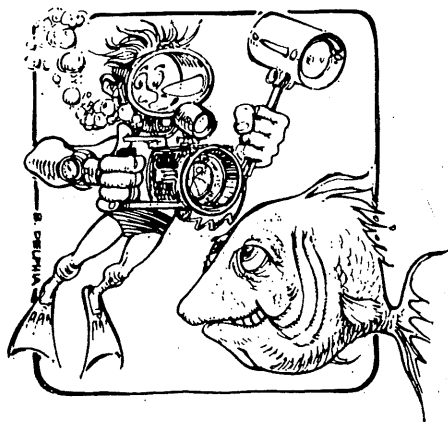

For Sale - One pair Dacor Turboflex Fins, like new, \$25. Caber ski boots, size 10, excellent condition, \$50 or best offer. Call Dick Gullicksen at 335-7724.

For Sale - Brute Suite, X-Large, Farmer John pants, knee pads, nylon 2 sides, velcro beavertail, good condition, \$100, call Frank at 580-1035 after 5.

For Sale - Parkway Unisuit, size large, good condition, best offer. Call Peter Speen at 250-1999.

For Sale - Two (2) Parkway wet suits (1 medium men's/Farmer John - \$75; 1 medium women's/Farmer John - \$75). Also one (1) Parkway Jetsuit with attached boots for \$150. If interested, call Paul Cavallaro at 963-1042.

For Sale - 25-horsepower Mercury outboard - good running condition - \$375. Call Penny Oppenheim at 828-4337.

Anchor Lines

Ok all you perpetual moaners and groaners, start getting info for next year's Club Banquet. If you get some good hard data now, we will be able to make a decision later that will please almost everyone (maybe).

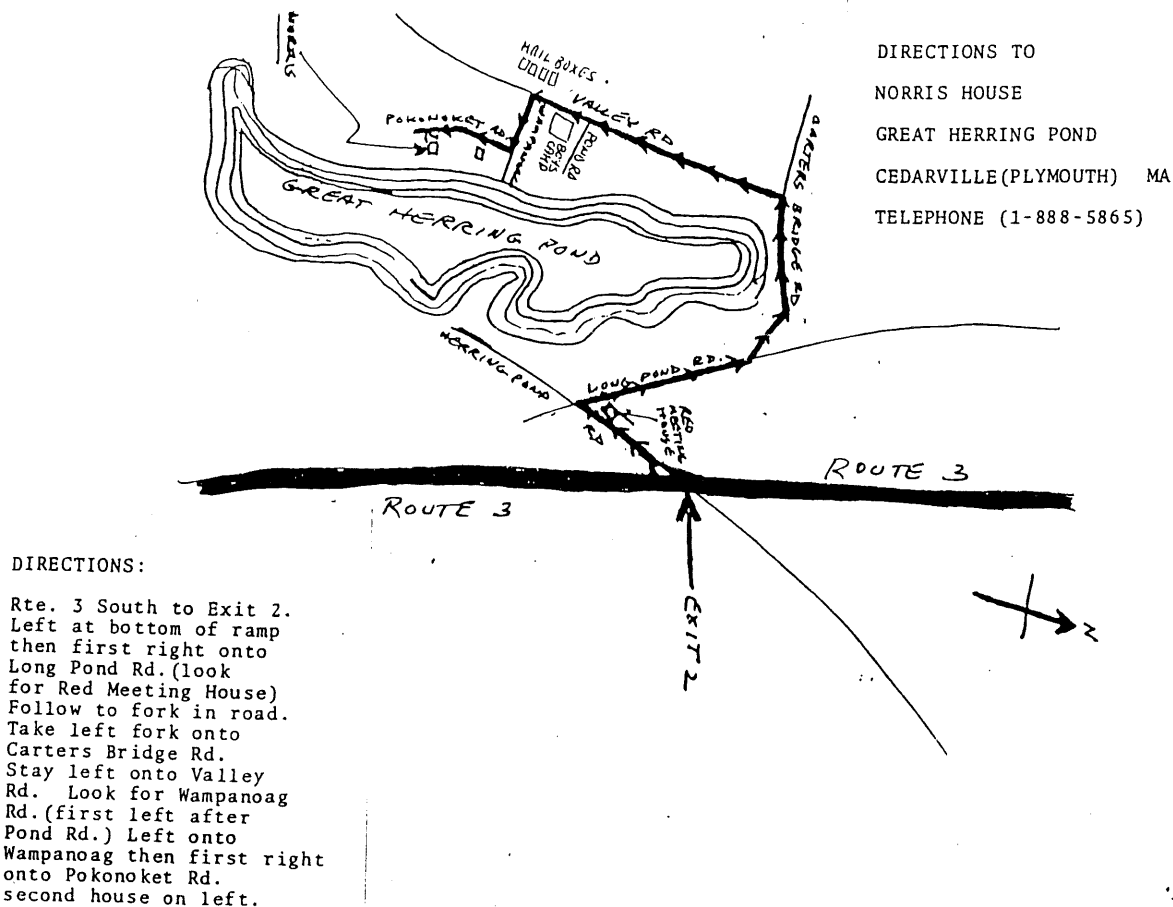

Bob Massarelli has been in Room 402, New England Baptist Hospital, Boston for several weeks now and is hoping to get to go home to Quincy any day now. Cards, letters, calls or visits (call ahead) from members are recommended to show Bob our support and affection.

New members this month are Tom Barry, Ed Foley, Doug Meyer, and Scott Trocki who all passed their second votes. Eddie Parsons has become a corresponding member.

It's official! Steve Norris and Joanna Hanks are getting married this summer. Ain't life grand?

A CPR Course is being set up at the Clubhouse for members. We have an instructor on line from the Heart Association who will give us a very basic, no frills certification for a minimal fee. Folks should sign up at meetings and choose a date.

V.P. Debby Osborn asks all Board Members to be punctual to all Board Meetings. She wants to start at 8:00 and get to work right away and not to waste time until a quorum shows up.

SOUNDINGS

June 1986

Last Month

The BSCD Treasure Hunt had a strong showing of Neptunes, particularly in the winners' circle. In the SCUBA event, Peter Barry led the pack; followed at a distance by Mark Stanton, who placed. Fourth and fifth places were taken by Ted Hotz and Joe Gomes respectively. For the snorkel event Mark and Peter exchanged places, with Mark coming in first and Peter second. Jay Theriault came in third and Joe Gomes came in fifth. It will come with no surprise that we also won the trophy for best club performance. Also, Joe Mullin, Mike Trzcinski, Paul Butler, Chris Taber, Tim Burke, and Joe Shea deserve thanks for volunteering their time to run this event. In fact, so many of our people worked and so many won so readily, a few members of another club voiced suspicions of cheating. These passions later cooled and no complaints were made.

The Club Point Dive at Provincetown and the Club Night Out at the Sherwood Restaurant were both well attended and well enjoyed.

The Competition Dive was held at the Norris's cottage at Great Herring Pond. The snorkle event consisted of a strenuous version of underwater Bingo. Jay Theriault came in first; Debbie Osbourn, second; and Tim Burke finished third. The SCUBA event required participants to prepare a place setting. First place was taken by Steve Norris and Steve Johnson, second by Jay Theriault and Mike O'Keefe and third by Paul Dwyer and Tim Burke.

This Month

The June Non-point Dive will be in Plymouth Bay on Saturday, June 7th. This will be a boat dive, and WE NEED MORE PROPLE TO BRING BOATS. We will meet at the State Boat Ramp, Plymouth Center, at 9:00 AM. To get there, take Route 3 to Route 44 (exit 6). Turn east on Rte 44 and follow it down to the waterfront. Bear left towards the McGrath's Restaurant. The State Pier is just to the other side of McGrath's restaurant.

There will be a second Clubhouse Cleanup on Sunday, June 8th at 9 AM. This is for all outside maintenance.

The June Club Night Out has been cancelled.

Steve O'Gara is arranging a Martha's Vineyard Bicycle Trip and members are invited to come along. They will be leaving Woods Hole at 8 AM on Sunday, June 15th on the Ferry "Islander". Plan to arrive early to insure getting a ticket. Bring your own bike or rent one on the island. This is a leisurely tour with no particular distance planned. You are advised to BYOB as the ferry is dry as are many of the towns on the island. The island offers many miles of automobile-free bike paths which travel through pine forests and along the shore. The planned departure from the island is at 6:30 PM. The ferry rates are \$7.50 round trip for an adult and an additional fee of \$5.00 round trip for a bicycle. For more information call Steve O'Gara at 545-2734 (home) or 482-5343 (work).

The June Point Dive will be a boat dive to Boston Light or Peddock's Island on June 22nd. We will meet at Pemberton Pier, Hull at 9 AM, and leave for the island by boat. More boats are needed for this event. To get to Pemberton Pier, take Route 228 to Hull. This becomes Nantasket Avenue, which you follow through its many curves until it ends on Main Street. Take a right and follow Main Street until its end at Hull High School and Pemberton Pier.

The Fourth Tuesday Event is a night dive at Gun Rock, Hull on June 24th. We'll be entering the water from 7 to 8 PM, or earlier if lobsters are to be taken out before sunset. To get there, take Route 228 to Hull. Take a right onto School Street and then another right at its end onto Atlantic Avenue. Take Atlantic Avenue down the hill and look for a small beach to your left and a food stand and a bar to your right. And you're there.

June is the last month for the Monday Night Pool at the Lincoln-Hancock Pool, Water Street, Quincy. We have the pool from 7 to 8 PM until June 16th.

Next Month

The July Non-point Dive will a boat dive from the North River Spit on July 20th. Departure will be from Mary's Landing, Route 3A, at 9 AM. We will need people to bring their boats for this dive.

The Point Dive for July will be a shore dive on July 26th at Herring Cove, Provincetown. Herring Cove is at the end of Route 6.

Anchor Line

It's not too early to begin looking for Club Banquet sites. Ask your favorite banquet facilities about menus, entertainment, bar and service fees. While on the subject of the Banquet, don't forget those joke trophies. We already have some prime contenders.

It was decided to have the Club Outing at Duxbury Beach again this year, despite new restrictions on drinking on the beach. It'll be strictly BYOB on August 3rd.

There have been some replacements on the Board of Governors. Ted Hotz is replacing Bob Massarelli and Joe Gomes is replacing Dana Williams. These replacements are the results of too many missed meetings due to illness on the part of Dana and Bob.

Bob Massarelli has gone back into New England Baptist Hospital. He can be found in Room 308, ext. 5588. Once again, visits, cards and letters are recommended to show Bob our support and affection.

New Members this month are Rachelle DuBey, Bill Hall, B. G. Sykes, and Skip Weinrebe who all passed their Board votes and first club votes. Also, Jim Rizzo and Chris Norris passed their second club votes. Welcome all!

Members are asked to think about going on a Booze Cruise, as a Summer activity.

Meetings

Club Meetings

First and third Tuesday of each month at 8:00 p.m.

Board-of-Directors Meetings

Second Tuesday of each month at 8:00 p.m.

Members, membership applicants, and other interested parties are welcome to attend all Club and Board-of-Directors meetings. All meetings are held at the Quincy Civil Defense Dive Team Headquarters building. This building is located at the corner of Quarry and Joyce Streets in Quincy. To reach the meeting site from the Southeast Expressway, take the Furnace Brook Parkway exit. Follow Furnace Brook Parkway to Quarry Street (second set of lights). Turn left onto Quarry Street, and proceed approximately 100 yards to the intersection of Joyce Street. The Dive Team Headquarters is the stone building on the right.

Membership Information

Membership is open to all sport divers and other interested parties. Application for membership may be made at any Club meeting or Board-of-Directors meeting. Membership fees are as follows:

- Regular Member Dues \$30.00 per year
- Initiation Fee (one-time fee) \$25.00
- Corresponding Member Dues \$5.00 per year
(Inactive members only)

SOUNDINGS

July 1986

Last Month

The Non-point Dive was cancelled as a boat dive due to lack of boats, and as a shore dive due to bad weather. I did go down to the landing to see if anyone would show up but the only divers there were a pair of non-club members who were taking an outboard out through the fog to dive the Pinthus.

The Point Dive to Boston Light went off much better. The weather was perfectly clear and the water conditions were generally good. The boats went out to all different sites all around the outer islands and came up with mixed success. Those who went out to Hardings Ledge had to contend with a swell that made everyone at least a little queasy. There was a surprise visit out to the island by John Baldi and his wife. Many thanks to Marty Blake, Paul Butler, Dick Gullicksen, Steve Norris and Chris Taber who made their boats available for this event. Debbie wants to commend all those who have expressed their appreciation to the boat captains for their time and expense\$ and encourage those who haven't yet.

The Fourth Tuesday Event at Gun Rock Beach went off well. The visibility wasn't great but the water was calm and the night clear. It was nice to have the recovery and the lighting trucks there but if we use them in the future perhaps we should put up a sign that says "No Problems, Only Practicing" to keep passers-by from worrying.

This Month

On July 5th and 6th there will be an Open House of the URI Graduate School of Oceanography at the Bay Campus in Narragansett, R.I. The activities will begin at 10 AM and end about 6 PM on both Saturday and Sunday. There will be tours of the research vessel, the nuclear reactor, and of the various labs, including the ones connected with diving. There will also be demonstrations of ROV's, remote controlled underwater vehicles with video cameras and of other submersibles. Food and drink will also be on sale.

The July Non-point Dive will be a North River Spit Dive on July 20th. This will be a family day on a large sand spit at the mouth of the North River, which is very popular for picnics. Diving will be from boats at sites in the area. There will be NO shore dives. Departure will be from Mary's

Landing, Route 3A, Marshfield at 9 AM. Be sure to park across the bridge on the north side of the river. As always we need boats!

The Point Dive for July will be a shore dive at Herring Cove, Provincetown, on July 26th at 10 AM (or earlier if you can). This has been called the best area on Cape Cod for diving by the International Divers Guide. Visibilities are commonly good and there is a wide selection of marine life. To get there, follow Route 6 all the way to its end.

The Fourth Tuesday Event will be a dive at the Scituate Light House on July 22nd at 7 PM. This is a rocky bottom dive with easy access and plenty of parking. To get there, go to Scituate Harbor and take Jericho Road north to Lighthouse Road. This will bring you to the dive site.

The Monday Night Pool at the Lincoln-Hancock Pool, Quincy will be continuing through the Summer, although at a later time, 9 to 10, and for a fee of \$5 per person. For more info, get in touch with Angelo Correnti.

Next Month

The Annual Club Outing will be held on August 3rd on Duxbury Beach. As you have already heard, it's going to be dry this year, as all public parks are banning booze. Everyone who has volunteered should expect to hear from Angelo and his crew as the planning progresses. Any one else who would like to help out should get in touch with Angelo.

On August 17th, the Point Dive will be held at the Glades, North Scituate, meeting at the site at 10 AM. We will of course have breakfast at the Gannett Grill before the dive starting at 8:30.

The August Non-Point Dive will a Plymouth boat dive on August 23rd. This will be a second attempt after last month's washout. We will be meeting at the State Boat Ramp, Plymouth Harbor, after a breakfast at Howard Johnson's, Route 3A, Kingston.

Anchorline

Board members! Be certain to check on your month to tend bar. It is also important to be on time during that month.

Also, everyone should keep a low profile while drinking beer or wine around the clubhouse on warm nights. It would not do to annoy the local gentry.

Is there any interest in a End of Summer Party? Perhaps on George's Island? Any idea can be brought to Debbie or Angelo.

This is a reminder that the Artefact and Photography Contests are ongoing. Rules and regulations for both can be found at the front table.

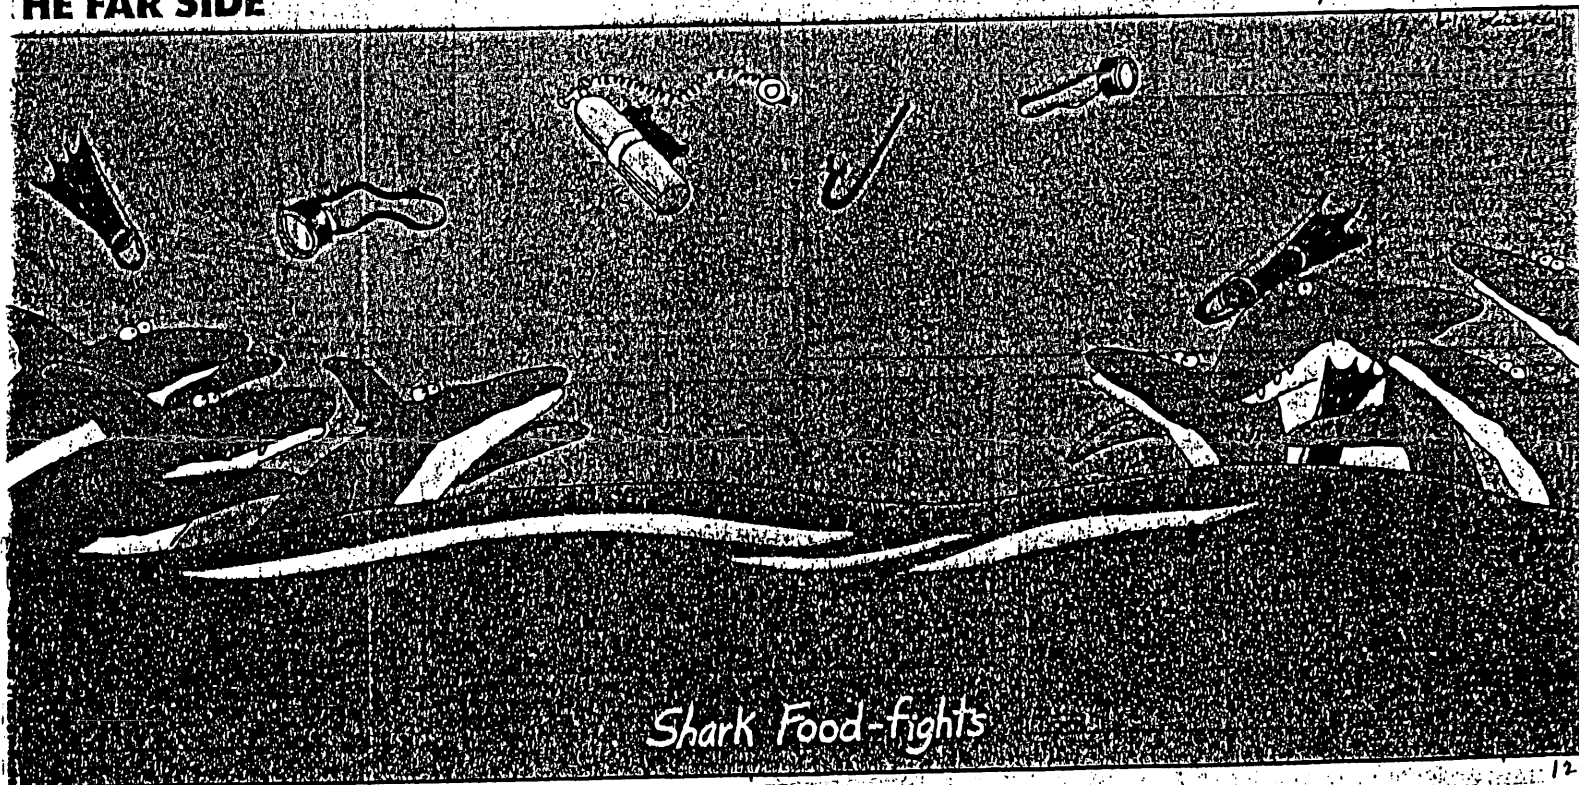

While speaking of photos, we'd like to remind you all we are always in need of snapshots and slides of club functions. If you have some, it is club policy to reimburse people for their materials.

New Members this month are James Bond and David Rodberg who passed their board and first club votes. Welcome!

It's Strange But True ! Joe McAndrew had been looking unsuccessfully for a long while for his brass Neptunes' belt buckle at his ex-wife's house and had just about given up. Michael O'Keefe stopped by the house one day last month to read the gas meter and discovered the buckle, to his own surprise, below the meter. Joe and buckle have now been joyfully reunited.

*July 15 is last day
for Outing tickets*

SOUNDINGS

August, 1986

Last Month

The July Non-Point Dive was held at the North River Spit, with boat dives off the Scituate coast. There were enough boats and the weather was hot.

The Fourth Tuesday Night Dive was held at the Scituate Lighthouse. There was a bit of a walk over weed-covered boulders to the water as there was a spring low tide that night. But once there, the water was warm, calm and clear.

The Point Dive was held at Herring Cove Beach, Provincetown. Only eight divers showed up for a rather uninteresting dive. There was a flat sand bottom and a long swim to get just 15 to 20 feet of depth.

This Month

On August 3rd the Annual Club Outing will be held at Duxbury Beach. As you already know, this is a family day of sand, sun, surf, games and food. The parking lot opens at 8:30 AM and people should plan to get there fairly early in the morning to be assured of a parking space. NOTE, THERE IS NO ALCOHOL PERMITTED ON DUXBURY BEACH, THE CLUB WILL NOT BE RESPONSIBLE FOR YOU IF YOU BRING YOUR OWN. To get there from Route 3, take Exit 11 to Route 14 East. After the Police Station, bear left onto Church Street, which ends at the intersection with Rte 3A. Cross Rte 3A to Route 139. Follow Rte 139 for about 2 miles and take a right at Canal Street which will bring you to the Beach. Also, brownies or other desserts will be appreciated. The rain date for this event is August 10th.

There will be a Lecture on U-boats on August 15 at 7:30 PM at the Marine Museum, Fall River, Mass. with an optional dive to the U-853 on the next morning. For more information call Bob Cembrolo at (617) 674-3533.

Cape Cod Divers is having their Treasure Hunt on August 16th at 5 PM in Harwichport. Registration is \$30 per person which includes food, a T-shirt and a copy of US Underwater. You must register in advance. The hunt will be looking for shells painted with florescent paint and bearing a number. After the dive, prizes will be awarded to the finders of the shells bearing the matching numbers. There will be more than \$3000 worth of prizes. For more information or to register call 1-800-DIVING-1.

The August Point Dive will be held at the Glades, North Scituate, on August 17th, meeting at the site at 10 AM. We will

have breakfast at the Gannett Grill, starting about 8:30. This area has sand patches and rock ledges and is pretty good for lobster. To get there, take Route 3A to the North Scituate exits (Henry Turner Baily Road or Booth Hill Road). These will bring you into North Scituate Square, where Gannett Grill is located. From North Scituate Square take Gannett Road down to the ocean. The last road is Glades Road. Follow this road along the ocean until you reach Minot Beach and the Glades gate.

The Non-Point Dive will be a Plymouth Boat Dive on August 23rd. The exact site will be decided upon on the day of the dive, perhaps High Pines Ledge or Gurnet Point Light. We will meet for breakfast at Howard Johnson's, at the intersection of routes 3 and 3A (Exit 9) at 7:30 and meet at the State Boat Ramp, Plymouth Center at 9:00. If you're planning to skip breakfast and go directly to the boat ramp, take Route 3 to Route 44 (Exit 6) Go East on Rte 44 and follow it down to the waterfront. Bear left towards McGrath's Restaurant. The State Boat Ramp is just to the other side of McGrath's.

The Fourth Tuesday Event will be a night dive at Ocean Bluffs, on Route 139 in Marshfield. Ocean Bluffs is the area along the sea wall just north of Brant Rock. We should enter the water around 7 - 7:30. After the dive, Paul Greene has invited everyone back to his house at 7 Moritz Road, Marshfield for a cookout. BYOB and some food to share and Paul will have the grill going.

Don't forget the Monday Night Pool at the Lincoln-Hancock Pool from 9 to 10 PM. Swimmers are free and underwater rugby players pay \$5.

Next Month

Nothing has yet been planned for September.

Anchorlines

In July we had a little bit of everything, a birth, a death, and a marriage.

Michael Klipp and his wife had a baby boy this month, their second child. Carl William Klipp was born on July 13th and weighed in at 7 lbs. 7 ozs. Mother and child are both doing well.

Joanna Hanks and Steve Norris were wedded on July 5th. Much happiness to you both.

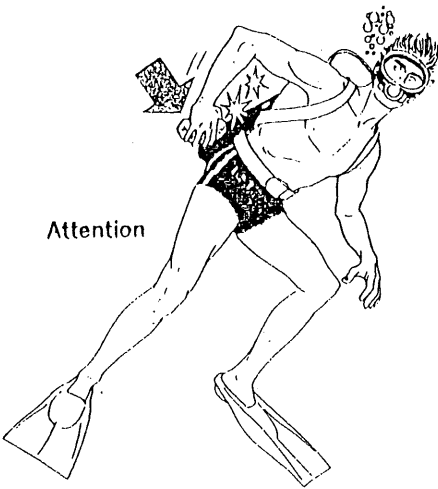

After a long illness, Bob Massarelli passed away on July 12th. He has been a member of our club for many years and has served ably in many offices, including that of President. He will be remembered fondly for his good humor, his friendliness and his encouragement to beginning divers. There was a good

turnout of club members at his wake and funeral, including many seldom-seen members such as Tricia Wurtz, who came up from Florida. Bob's family mentioned that they were pleased that so many of us came. Our condolences to Brenda, Michelle, Skip, Meredith and Shannon.

New member this month is Bill Hall who passed his second club vote. Welcome!

All Bug Divers, take care! A diver was allegedly assaulted in Salem by lobstermen recently. Also, the wardens have been checking game bags carefully. There's no such thing as a "hanger"; if it's that close, it's probably too small. Be careful also about shed claws; if you end up with more claws than two per lobster in your bag, you can also end up with a hefty fine as one of our members found out recently.

SOUNDINGS

September, 1986

Last Month

The Annual Club Outing was held on the rain date, August 10th, a truly beautiful day. Many sunburns were received by persons unused to sunshine. We were prevented from swimming too far off-shore due to the sighting of large sharks, later found to be harmless basking sharks. There were those on the beach who thought they were seeing the Second Coming when Joe Gomes arrived on the beach toting a 10 foot long, wooden cross-like volleyball net pole on his back. There was no religious experience but the volleyball net didn't fall over this year!

The Point Dive at Minot Beach went off very well both in the water and out. Seven lobsters were taken and after the dive a cookout was held at Mike O'Keefe's parents' cottage.

The Non-Point Dive at Plymouth turned out well thanks to Chuck Cipoletta and a charter which cancelled out. The first choice for the dive site, High Pines Ledge, was too rough and too full of bluefish fishermen so Gurnet Point was selected instead.

The Fourth Tuesday Night Dive at Ocean Bluffs, Marshfield was a decent dive followed by an excellent cook-out at Paul Greene's house. Good company, good conversation, and good food are hard to beat.

This Month

On September 7th there is to be a combined Spearfishing Contest and Point Dive at Newport R.I. The actual dive site, e.g. King's Beach or Brenton Point, will be determined at the on the day itself. We will rendezvous for breakfast at the Burger King on Route 24, north of the Route 495 intersection, at 8:00 AM. Members interested in competing should be ready to go into the water at 9:00 AM sharp. The contest will run for one hour. Those interested only in the point dive can make their dive any time from 9:00 until Noon.

The Seamark Treasure Hunt will be on September 14th in Gloucester. See enclosed flier.

9/16 We will have a Guest Speaker for our regular meeting on September 14th. Gary Goshgarian of Earthwatch, a company that provides scientific field trip vacations, will be speaking and showing slides. He will be starting at 8 PM sharp.

A Competition Dive will be held at Egypt Beach, Scituate on September 21st. The breakfast rendezvous will be at the

Gannett Grill at 8:00 AM and all participants should be at the water's edge at Egypt Beach at 10:00 AM and be all ready to go. To get to the Gannet Grill, take Route 3A to the North Scituate exits (Henry Turner Baily Road or Booth Hill Road). These will bring you into North Scituate Square, where the Gannett Grill is located.

The September Non-Point Dive will be at Nubble Light, York, Maine on the 27th. This, as you already know, is a prime dive site. We plan to stop for breakfast at Godfrey's, Route 1, Saugus at 7:30 AM and remeet at the dive site at 11:00 AM. Don't forget you need to stop at the York Police Station for a permit before you can dive. To get to Nubble Light go north on Route 95 to Exit 1 (York, Me). Take Rte 1 south to Rte 1A (Main Street) and take a left. You will pass the Police Station. Continue on Rte 1A until you reach Cape Neddick and Nubble Road. Take a right and you're there.

The Monday Night Pool will start up again this month. As of the time of this newsletter the schedule isn't prepared, so get in touch with me or come to the first meeting.

Next Month

Another Competition Dive is planned for October 5th. Place and time will be announced later.

The October Club Night Out has been scheduled for Christo's Restaurant, Brockton for October 25th. Reservations will be taken by the first October Meeting, on the 7th.

Seamark will be held on November 15th at the New England Aquarium, Boston. This evening party is a benefit for the Cotting School. Advance tickets may be purchased from Dave Clancy.

Anchor Line

There has been a Competition Rule Change. From now on, all club competitions are open to all club members, regardless of professional status.

Bill Burchill has recently entered into the Spearfishing Competition his catch of an 8 1/2 pound tautog. Good for you Bill!

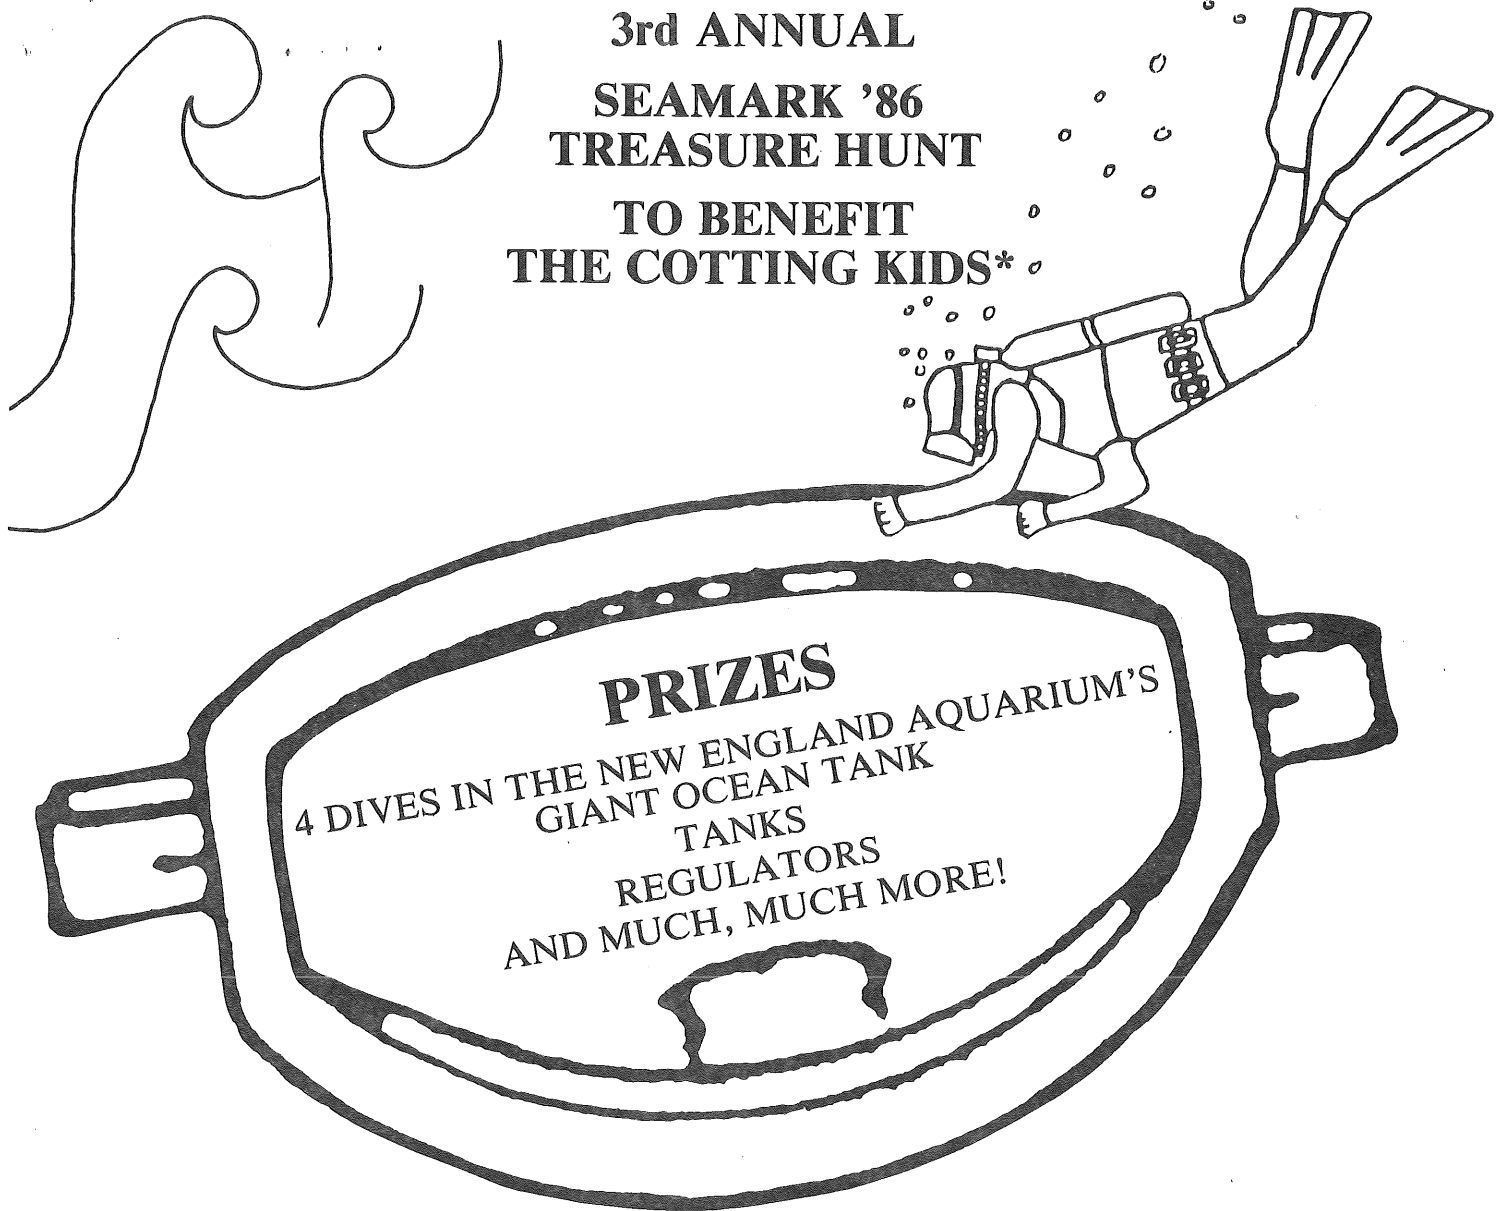

New Members this month are Debra Jones, Donna McNamara and Earlene Ross who passed their board and first club votes and Laura Sweezy who passed her board vote. Welcome all!

We are always looking for New Ideas for dive sites, restaurants, winter activities and also annual club Banquet sites. If you have any, please get in touch with one of the officers or board members. We particularly need suggestions for Banquet sites, and need fairly complete information on prices, etc. to go with the suggestion.

Meetings

Club Meetings

First and third Tuesday of each month at 8:00 p.m.

Board-of-Directors Meetings

Second Tuesday of each month at 8:00 p.m.

Members, membership applicants, and other interested parties are welcome to attend all Club and Board-of-Directors meetings. All meetings are held at the Quincy Civil Defense Dive Team Headquarters building. This building is located at the corner of Quarry and Joyce Streets in Quincy. To reach the meeting site from the Southeast Expressway, take the Furnace Brook Parkway exit. Follow Furnace Brook Parkway to Quarry Street (second set of lights). Turn left onto Quarry Street, and proceed approximately 100 yards to the intersection of Joyce Street. The Dive Team Headquarters is the stone building on the right.

Membership Information

Membership is open to all sport divers and other interested parties. Application for membership may be made at any Club meeting or Board-of-Directors meeting. Membership fees are as follows:

- Regular Member Dues \$30.00 per year
- Initiation Fee (one-time fee) \$25.00
- Corresponding Member Dues \$5.00 per year
(Inactive members only)

Diver's Hot Line

For information on diving buddies and who's diving when and where, call Peter Barry (1-747-1829)

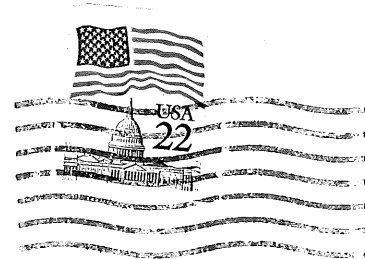

Additional Information

For additional information on club activities or membership, please contact one of the club officers listed above, or call John Blackadar at 826-2505.

SOUNDINGS

October, 1986

Last Month

The joint Spearfishing Contest and Point Dive at King's Beach, Newport, R.I. went off with moderate success. There were four entrants and one fish caught; a 2 3/4 lb tautog (Tautoga unites) speared by Time Burke (Homo sapiens). The rest of day was spent looking for tropical fish, of which a few were found.

The Seamark Treasure Hunt went off very well for some of our club members. This event was an underwater hunt for painted and numbered clam shells. Numbers were drawn for prizes which were given to the finders of the properly numbered shells. Mike O'Keefe won four prizes this way, including an 80 ft³ tank. Other winners were Dick Gullickson and Don DiTullio who each won a regulator.

Our Guest Speaker, Gary Goshgarian of Earthwatch, gave an excellent talk and slide show on some of the trips his organization puts on. Many topics brought up in the show caused interest and comments from the members present but none so much as the reef fish which can change its sex as needed to maintain the proper ratio of males to females.

The Competition Dive of September 21st was canceled due to bad weather.

This Month

A Competition Dive is planned for October 5th in Long Pond, Plymouth. There will be a rendezvous for breakfast at the Howard Johnson's in Kingston (Exit 9 on Route 3) at 7:30 AM. All entrants should be at the water's edge at 10:00 all ready to go. To get there, take Rte 3 to Exit 3. Go west on Clark Road to Long Pond Road. Cross Long Pond Rd to stay on Clark Road which will curve around until it reaches the boat ramp at Long Pond.

The Non-Point Dive for October will be a Sled Dive in Long Pond, Plymouth on the 18th. This will be a chance to practice with the recovery team's tow sleds in one of the deepest lakes on the South Shore. **BOATS ARE NEEDED !** This will be a good time to rinse the salt out of your engine before putting the boat away for the year. Breakfast and rendezvous will be as for the above Competition.

The Point Dive will be at Cathedral Rocks, Rockport, on October 19th at 10 AM. We will rendezvous for breakfast at Godfrey's, Route 1, Saugus at 8:00 AM. This is one of the best dive sites in the area, often with good animal life and great visibility. To get there, go north to Route 128 and go East.

At the second rotary, take Route 127 (Old Rockport Road) to Rockport. Stay on Route 127 through Rockport Center and past Pigeon Cove. The dive site is accessible from Cathedral Avenue, Rockport, next to the Ralph Waldo Emerson Inn on Rte 127.

Our Club Night Out will be to Christo's Restaurant, 782 Crescent Street (Route 27), East Brockton on October 25th. There are a few reservations left, so get in touch soon with Chuck Cippoletta for an evening of wine, women and song. (Bring your own women and song)

Also in October we will be sponsoring a North River Run. This event consists of jumping into the North River, with refreshments, and floating down with the current. There will be prizes given to the first downstream and to the person with the best decorated flotation device. We will meet at Mary's Landing, Route 3A, Marshfield, on the 26th at 10:00 AM.

Next Month

November 9th is the rain date for the Competition Dive. Time and place to be announced.

The annual benefit for the Cotting School, Seamark, is on November 15th. This party is held at the New England Aquarium and is a great time. For tickets or more information, see Dave Clancy.

Anchorline

There is a new program called Coastwatch which may be of interest to boat-owning members. Its purpose is to strengthen the enforcement of the state's marine fishery and environmental laws by using volunteers trained by the State to observe and report violations. For more information, write "Coastwatch", Division of Law Enforcement, 100 Cambridge St., Boston, 02202 or see Dick Gullicksen before the first meeting in October.

There is to be a new series on the New England Sports Network (NESN) starting in October called "Diver Down" which is co-hosted and co-produced by our very own Bob Michelson and Mark Stanton. They will have many other club members "carrying spears". The first episode will be broadcast on Sunday, October 4th at 5:30 PM and will be repeated the following Saturday at 10:30 PM. Don't miss it !

For Sale

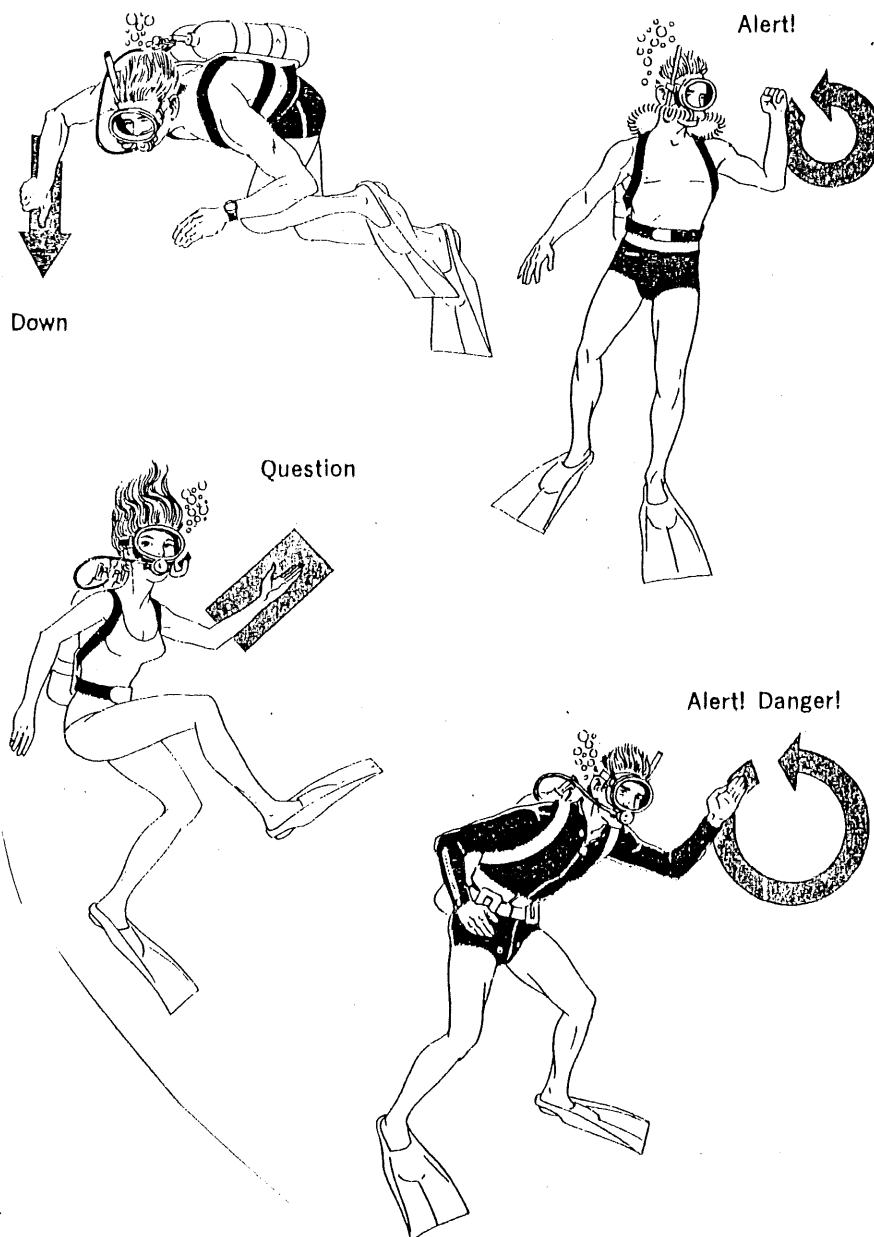

Boat for Sale, 18' Browning Bowrider with Evenrude 115hp outboard motor, Fiberglas with new seats, also Shoreline Trailer. \$3900 or best offer.

SCUBA Gear: Viking Dry Suit, used once, with repair kit, \$400; Scuba Pro Regulator with console (compass, depth and pressure gauges) and dry suit inflator hose, \$325; Scuba Pro BC with backpack, \$200; 70 CU FT steel tanks with current VIP, \$70;

SOUNDINGS

November, 1986

Last Month

The Competition Dive went off smoothly with eight contestants. The winners of the skin diving event were Bill Burchill, first place; Mike O'Keefe, second; and Jay Theriault, third. The winners of the SCUBA event were Bill Burchill and Tim Burke, first place; Mike O'Keefe and Jay Theriault, second; and Steve Johnson and Debbie Osborn, third.

The Dives were lightly attended this month. The point dive was moved to Plum Cove due to weather. The usual good time was had by the usual crowd. The Sled Dive turned out superb with the MV Recovery working very well.

This Month

The Club Point Dive will be to Marblehead Light on Sunday, November 2nd, meeting there at 10 AM. The breakfast rendezvous will be at Stella's, Adams Street, East Milton Square at 7:30. To get to the dive site from the south, take Rte 1A to Rte 129 north to Marblehead, and then make a right onto Ocean Street. Going east on Ocean Street will bring you to Marblehead Harbor and a causeway. Once across the the causeway, bear left onto Harbor Ave., which will eventually rejoin Ocean Street. Bear left and follow Ocean Street to its end where another left will put you onto Pollett Street which leads directly to the Light. To get there from Route 128, take Exit 25 to Route 114 East and follow it to its end in Marblehead at Ocean St.

The Club Night Out is on November 8th at the Scotch and Sirloin, 77 North Washington St., Boston. Cocktails will be from 6:30 to 7:30, dinner at 7:30. If you wish to go, get in touch with Chuck Cippoletta before November 7th.

A Competition Dive has been scheduled for November 9th at Pleasure Bay, South Boston. Be all suited up at 10:00 at the water's edge for the snorkel event. This will be the last competition dive of the season and competition for points will be fierce. Take the Southeast Expressway to the Columbia Road-South Boston Exit and follow Day Boulevard past the MDC Police Station and along the beach. Pleasure Bay is about a mile and a half past the police station.

Seamark, the annual benefit for the Cotting School for Handicapped Children, will be held on Saturday Evening, November 15th. Tickets may be gotten ahead of time from Dave Clancy (268-2686) or at the door. This is a great event with music, entertainment, dancing, and a cash bar at the exceptional New England Aquarium.

The Non-Point Dive will be to White Horse Beach, Plymouth, on Saturday, November 22nd, at 10:00 AM. Breakfast will be at 8:00 AM at the Perseverance Restaurant, Route 3A, Kingston. To get to the Perseverance, take Route 3 to Exit 9 and go east on Route 3A towards North Plymouth. The restaurant is on the left before you reach the Charley Horse. To get to White Horse Beach, take Route 3 south to Exit 4. This will bring you to Route 3A on which you will travel south until you reach a set of lights at the White Horse Beach Road. Following the signs, take a left and follow this road down to the beach. Public parking is about one block back from the beach; you can stop and drop your gear off at the Full Sail Bar on the beach and then go back to park.

The Third Annual Wreck Day of the Marine Museum of Fall River is being held November 29th. It starts at 10:00 AM and "various shipwrecks will be discussed by several experts" including our own Dave Clancy. For more information contact Dave Cembrola, Marine Museum, P.O. Box 1147, Fall River, MA 02722, (617)674-353.

Months to Come

The Annual Banquet will be held this year at the Morrisette Post, Quincy, with a caterer and DJ. Prices for tickets and the exact date will be announced later.

For Sale

Call Brenda Finn-Massarelli, 773-6162, between 5 and 9 PM or leave message on answering machine. Any reasonable offer considered.

Anchorline

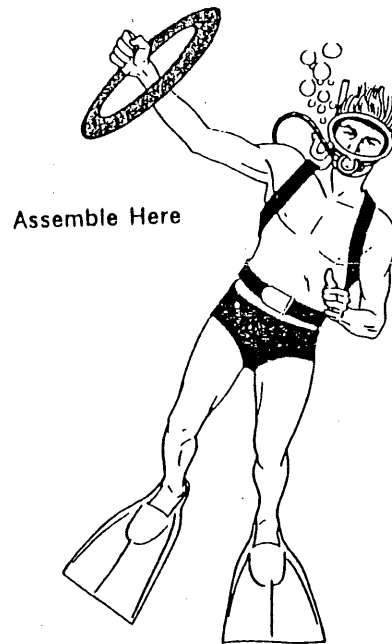

The NESN show Diver's Down can be seen on Wednesdays at 5:30 PM and at Thursdays at 10:00 PM as well as on Saturdays at 10:30 AM and Sundays at 5:30 PM.

Election Day is November 4th, the night of our first regular meeting. Yours truly will not be there as he will be working at the polls. I'll expect to see you there earlier in the evening.

New Members this month are Gail McSwann who passed her board vote and Robert Westerbeke who passed his first club vote. Welcome !

Dana Williams has been laid up recently with a broken elbow. Our sympathies, Dana.

Joke Trophies can really liven up the Banquet and make notice of a club member who might not otherwise be noticed on that night. Try to think up a good one and let Debby or Chuck know of it.

SOUNDINGS

DECEMBER, 1986

Last Month

The Point Dive to Marblehead Light turned out to be a good dive. There were twelve human and one canine divers who caught a grand total of 23 lobsters.

The North River Run, a sort of economy booze cruise, turned out well. No one was swept out to sea or ran aground.

The Non-Point Dive was blown out at White Horse Beach, Plymouth so a bunch of die-hard divers went over to Long Pond to get wet.

The Competition Dive went off as planned at Pleasure Bay, South Boston. The winners of the skin diving event were: Jay Theriault, first place; Bill Burchill, second place; and Mike O'Keefe, third. The SCUBA event winners were: Debby Osborn and Steve Johnson, first place; Jay Theriault and Mike O'Keefe, second place; Dave Clancy and Ted Hotz, third.

This Month

The December Non-Point Dive will be held on the 7th at Stage Fort Park, Gloucester, meeting there at 10 AM. We will meet for breakfast at 7:30 AM at Godfrey's, Route 1, Saugus. To get there, take Route 128 towards Gloucester. At exit 14, turn east on Route 133 (Essex Ave.) and follow it all the way to its end at the harbor. Turn right on Western Ave for about a block and then make another right onto Haugh Ave which borders the park.

The Point Dive this month will be at Marblehead Light on December 14th at 10 AM. This is where we had last month's dive, and found good lobstering and scalloping. Breakfast will be at the Suisse House, Morrissey Boulevard, Dorchester at 7:30. To get to the dive site from the south, take Rte 1A to Rte 129 north to Marblehead, and then take a right on to Ocean Street. To get there from Rte 128, take Exit 25 to Route 114 east and follow it to its end in Marblehead on Ocean Street. Bear left and follow Ocean Street to its end where another left will put you onto Pollett Street which leads directly to the Light.

Election Night will be held on the Second regular meeting of this month, on December 16th. Anyone interested in running for office in 1987 can file their nomination at either meeting. After the election will be a Pizza party with beer and wine to celebrate the end of the year. It was suggested that we also have a group photo of the club made on this night.

There is no Club Night Out this Month and no Children's Christmas Party this year. There weren't enough children anticipated to come to make it worth while.

The annual Sober-up Dive is being held New Year's Day at Pleasure Bay, South Boston. Be there at 10 AM. This traditional event gives everyone a chance to clear out the cobwebs of the parties of the night before and start the new year out right, underwater. Take the Southeast Expressway to the Columbia Road/South Boston Exit and follow Day Boulevard past the MDC Police Station and along the Beach. Pleasure Bay is about a mile and a half past the police station.

Following this dive, there will be an Open House at Dave and Myra Clancy's, 649 East Third Street, from 12 to 3 PM. Adult members and guests are welcome.

Months to Come

The Annual Club Banquet will be held on the last Saturday of January, the 31st, at the Morrisette VFW post, West Quincy. There will be a catered meal and a DJ for music and dancing.

The Annual Ice Dive is being planned for the Sunday of the President's Day weekend in February. But, after last year's problems, we are looking for a new place to hold it. Members should try to think of a good deep lake or pond where it can be held.

For Sale

U.S. Divers Drysuit, men's size medium, like brand new, \$150, call 283-1642 and leave message.

Anchorline

Attention all entrants and judges in the Artifact of the Year Contest! The Board Meeting on December 9th will be voting night for this award. All judges please be present and all entrants should bring their artifacts in at or before this meeting for display.

On December 2nd, the NOVA episode will be "Are You Swimming in a Sewer?" and which features an underwater sequence filmed by our own Paul Dwyer, Bob Michelson, and Mark Stanton. While this is our club night, the program can be taped or seen when it is repeated later in the week.

The Audit Committee came through with their report. On the whole, we didn't do too bad last year. Kudos are given to Paul Greene for all his work.

New Members this month are Jack Bleakley, board and first club vote; Steve Breton, Earlene Ross, Jim DeCelle, and Laura Sweezy, their second club vote. Welcome!

Meetings

Club Meetings

First and third Tuesday of each month at 8:00 p.m.

Board-of-Directors Meetings

Second Tuesday of each month at 8:00 p.m.

Members, membership applicants, and other interested parties are welcome to attend all Club and Board-of-Directors meetings. All meetings are held at the Quincy Civil Defense Dive Team Headquarters building. This building is located at the corner of Quarry and Joyce Streets in Quincy. To reach the meeting site from the Southeast Expressway, take the Furnace Brook Parkway exit. Follow Furnace Brook Parkway to Quarry Street (second set of lights). Turn left onto Quarry Street, and proceed approximately 100 yards to the intersection of Joyce Street. The Dive Team Headquarters is the stone building on the right.

Membership Information

Membership is open to all sport divers and other interested parties. Application for membership may be made at any Club meeting or Board-of-Directors meeting. Membership fees are as follows:

- Regular Member Dues \$30.00 per year
- Initiation Fee (one-time fee) \$25.00
- Corresponding Member Dues \$5.00 per year
(Inactive members only)

Diver's Hot Line

For information on diving buddies and who's diving when and where, call Peter Barry (1-747-1829)

Additional Information

For additional information on club activities or membership, please contact one of the club officers listed above, or call John Blackadar at 826-2505.
